with your Roku Device

ADDING THE CASSCOMM TV To Your Roku

To add the CASSCOMM TV app to your Roku device, press the Home button and navigate to the search menu. Type in CASSCOMM TV in the search and then select it in the search menu. Then select Add Channel to download it.

From your Roku device select 'Home' and on the right side of the screen a channel should be there called "CASSCOMM TV", click on this channel to open it.

The first time you open the channel you will be prompted for a Login and Passphrase, if you have not received this please contact our office or follow the directions below.

- On your IPTV set top box, click Menu and arrow down to Settings. Arrow right to Apps and then over to Device Code and press OK. Copy the Login and Passphrase into the Roku Stick.

- If you do not have an IPTV box, please contact our office. After entering the Login and Passphrase press Save and then you are ready to stream.

How to Use Your Remote

Pressing the Up, Down, Left, and Right arrows will highlight different actions in the Guide, Search, Recording, and Account options. Pressing OK on the remote will open the highlighted item. To return to the Home screen, press the Home button. Press the Back button that is to the left of the Home button to move back to the previous screen or to open the Tab Bar.

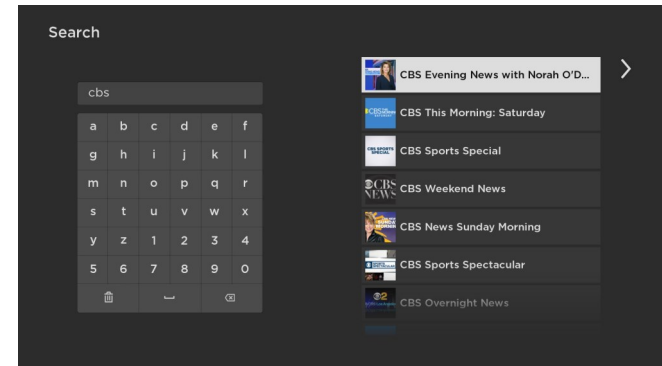

Channel Surfing

While watching a currently airing program, press the Up or Down arrow of the remote to view the next higher or lower numbered channel. Press * (Asterisk button) to jump to a specific channel number.

Program Search Feature

You can use the Search feature to find Live, and Future programs. Go to Search in the Tab Bar, from here you can type in the name of a program by typing in the first few letters of a program. The results will be more specific if you type in more letters in the name of the program.

Highlight a program and press OK on your remote, if it is a currently airing program you can highlight Watch and press OK on your remote to view it. You also have the option to select Record for adding this program to your future recordings. See the Recording Your Programs section of this guide for more information.

Account Option - Add a New Device to CASSCOMM TV

Before you add a new device to this service, go to Account in your Tab Bar from an activated device, and use the Down arrow on the remote to scroll down, and highlight Add Device. Click OK on your remote to generate a Login and Passphrase for the new device. Follow the directions at the beginning of this guide for adding this service to your new Roku, and use the displayed Login and Passphrase when you are prompted to activate this service.

Restart TV (requires cloud DVR subscription)

This popular feature lets you go back to the beginning of any currently airing program that has the Restart Option.

While you are watching a program that you want to Restart, press on the Right Arrow of your Roku remote which will open a Video Options screen. Choose Restart this program and press OK to Restart the program back to its beginning.

Programs that have the Restart option will display the Green Restart icon in the Program description of the Guide.

There may be programs, because of programming restrictions, that don't allow for the Restart function. Please contact our office if you have questions regarding this.

Quick Guide

While you are watching a program, you can press the Left Arrow of your Roku remote, which will display a Quick Guide showing the last eight channels that you have watched on the left side of your TV screen.

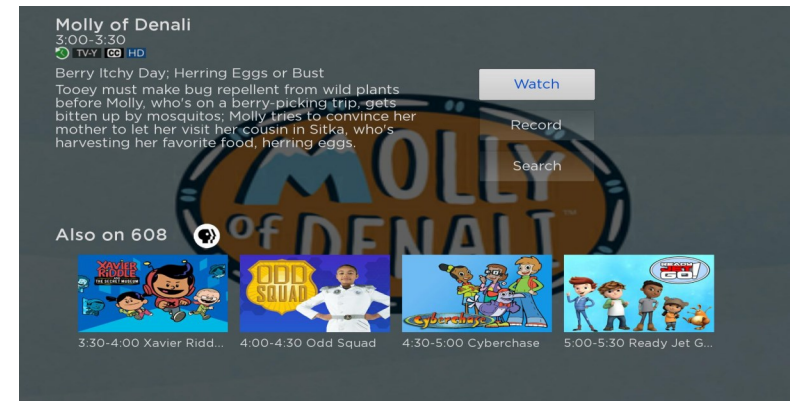

Use the up and down arrows on your Roku remote to scroll through your previously watched channels and press OK on a highlighted channel to switch to that channel.

On-Screen Guide Management

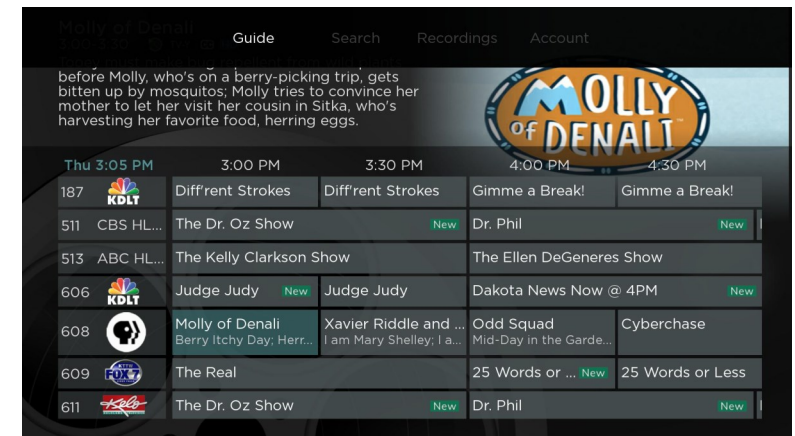

From a live program that you are watching, press the Back button on your remote to open the on-screen Program Guide. Use the Up or Down arrows on your remote to scroll through the programs in the Guide, press OK on a highlighted program to see detailed program information and your management options. The three options include Watch, for a currently airing program, Record, and Search.

To Watch, use your remote to highlight the Watch button and press OK on your remote. To Record a program, highlight the record button and press OK on your remote. See the Record section of this guide to learn more about recording programs. Choose the Search feature if you want to see future dates and times that this program will air that you may want to record. See the Search section of this guide to learn more about Search options.

Tab Bar

From the Program Guide, press the back button on your remote to open the Tab Bar. The Tab Bar allows you to scroll Left or Right to access the Guide, Search, Recordings, and Account options. Details on the Search, Recordings, and Account options will be covered in subsequent pages of this guide.

Recording Your Programs (requires cloud DVR subscription)

Making a Recording

When you select the Record option, a screen will display giving you three options, Record Single, for a one-time recording, Record Series (New episodes only), and Record Series (All episodes). Highlight your preferred Record option and press OK to set the recording. To further manage this recording, go to the Tab Bar and select the Recordings option.

Watching Your Recordings

Recordings can be viewed from the Recordings option on your Tab Bar. Select Recordings from the Tab Bar and press OK to open the Recordings screen, here you will see Current, Upcoming, and Rules. Highlight Current, and press OK to open your list of Current Recordings. Scroll through the list, highlight the program you want to watch and press the OK button. If there are multiple recordings, scroll and highlight the one you want to watch and press OK on the remote to start watching the program.

Record Using the Search Option

From any of your Search results you can scroll through the list of future air dates for a program, highlight Record and press the OK button on your remote to set a recording for the program. Use one of the options listed under the Making a Recording section to make your selection.

Managing Your Recordings

Current Recordings

To watch or delete current recordings from the Program Guide, press the Back button on the remote to open the Tab Bar and use the Right arrow on the remote to highlight the Recordings option and press OK. Press the Down arrow on your remote to highlight Current, and then press OK on your remote to open your list of Current Recordings. This screen will display the list of your recorded programs, scroll up or down to highlight a program and press OK on your remote to open a recorded program, press the OK button again to watch the program. To Delete the program, press the Right arrow on your remote to highlight Delete and press OK. You will receive a prompt to confirm deletion of the program. If there are multiple recordings of a program or series, scroll and highlight the one you want to watch and press OK on the remote to start watching the program.

The Red Check button to the left of the program indicates that it has not been watched, while programs with a Red Play button have been partially watched. Highlight a partially-watched program and press OK to view the program where you left off.

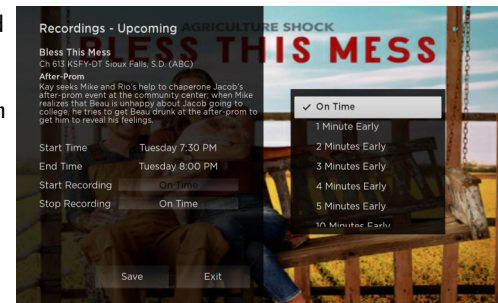

Upcoming Recordings

Use the Upcoming Recordings feature to manage settings for your future recordings. From the Recordings screen, press the Down arrow of your remote control, highlight Upcoming, and press OK to see a list of programs you have scheduled for recording. Scroll through the list to highlight an Upcoming Recording and then press OK on your remote to open a program that you want to manage.

To assure that you don't miss the beginning or the end of a program, you can change the Start/Stop Recording times by highlighting the Edit button and pressing OK on your Remote to open a screen that gives you options on when you would like to Start and Stop a recording.

Highlight the Start Time option and press OK on your remote, then scroll up or down to choose the new Start Recording time, and then press OK on your remote to finish your selection. The Stop Recording functions the same way as the Start Recording feature and is beneficial when watching sporting events where you want to extend the Record time.

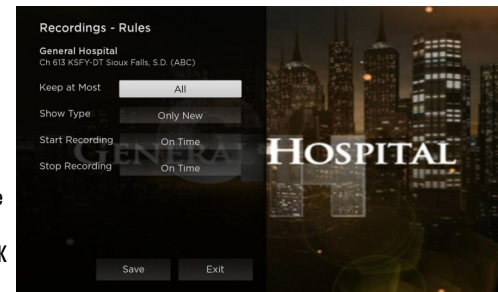

Once you have finished your changes, highlight Save and press OK on your remote to save the changes. To Delete an Upcoming Recording, press the Right arrow on your remote, highlight Delete, and press OK. You will receive a prompt to confirm deletion of the program.

Rules

Use the Rules feature to manage the episodes of a series that you want recorded automatically. From the Recordings screen, press the Down arrow of your remote control, highlight Rules, and press OK to see a list of your series programs. Scroll through the list and highlight a series that you want to manage, press OK on your remote to open a series, at this point a Recordings - Rules screen will open. Highlight the option next to Keep at Most and press OK on your remote to scroll and choose a maximum number of episodes that you want to keep of this series, or you can choose to keep All Episodes, press OK to make your selection.

Highlight the option next to Show Type and press OK on your remote and choose to keep All or Only New episodes of a series, press OK to make your selection.

You can also choose to set the Start and Stop Recording times for all episodes in this series. This option works the same way as it does in Upcoming Recordings section. Once you have finished your changes, highlight Save and press OK on your remote control.
