FOR IMMEDIATE RELEASE

CASSCOMM Local, Trustworthy & Giving

[Virginia IL, May 24, 2024] CASSCOMM, a sixth-generation family-owned and operated broadband provider based in central Illinois, is proud to announce its continued commitment to strengthening communities across its expanding service area. With over \$70,000 gifted in 2023 to local non-profit organizations, community events, schools, and youth sports teams, CASSCOMM's dedication to improving its region remains unwavering. CASSCOMM President and CEO, Sam Gill, added, "Our company's mission to provide fast and reliable broadband is just the beginning of our commitment to those we serve. CASSCOMM has ingrained at its core a culture of giving back to ensure our local communities are thriving, and we understand and appreciate that without strong communities we would not exist. What we are most proud of is that we can fulfill a critical need of our customers while also being a force for good."

Based in Virginia IL, CASSCOMM has offered high quality services to its customers since 1898. It is a family-owned business, providing services for more than a hundred and twenty years. CASSCOMM offers Cable TV, Internet and Telephone services to 34 communities and is currently upgrading its facilities to offer Fiber to the Home (FTTH).
